

## About us...

HVAC & Refrigeration Engineering Ltd. provide a comprehensive range of engineering services to meet our clients' specific heating, ventilation, air conditioning & refrigeration requirements. The company was formed to satisfy the needs of the marketplace for a specialist company to provide a quality fit-for-purpose engineering service at reasonable cost.

As an independent company, we can offer impartial advice on all aspects of your HVAC & Refrigeration system requirements & recommend equipment from a wide range of manufacturers.

We have assembled a team of specialist staff with many years experience within the industry.

Whether your requirements are large or small, HVAC & Refrigeration Engineering will work with you to provide solutions to your problems. We will deliver complete project management from conception to completion.

## Our engineering services include...

- HVAC system surveys & design reviews
- HVAC & refrigeration engineering design & installation
- COSHH LEV (Local Exhaust Ventilation) system surveys & upgrades
- Equipment repair & maintenance
- Complete package installation
- System commissioning & air balancing
- Noise control engineering
- CFC/HCFC refrigerant reclaim & replacement
- Indoor air quality & Ventilation Hygiene

To contact our project team -

Telephone: +44 (0) 1224 707080

Fax: +44 (0) 1224 707023

Email: [engineering@hvac-refrigeration.co.uk](mailto:engineering@hvac-refrigeration.co.uk)

Website: [www.hvac-refrigeration.co.uk](http://www.hvac-refrigeration.co.uk)

**24 hour call-out service**

## Sample of completed projects...

- Full HVAC design & installation - hospitals & healthcare centres in Aberdeenshire.
- Air conditioning & ventilation system installation - call centre operations.
- Air conditioning & ventilation - various food processing plants.
- Aberdeen shopping centre - office HVAC & water chiller installation.
- Modification to refrigeration plant & replacement of refrigerant gas with an environmentally friendly drop-in alternative - multiple sites.
- Installation of process water chillers for research laboratories.
- COSHH LEV assessments for industrial fume cupboards - multiple sites.

## SPARES UNLIMITED

The engineering equipment & supplies division of HVAC & Refrigeration Engineering Ltd.

Our range of engineering equipment & spares includes...

- Air conditioning units & spares
- Air handling units, fan coils & components
- Air filters, belts, fans & motors
- Air filtration units
- Chilled water air conditioning systems & components
- Cold rooms; modular & bespoke
- Compressors & compressor spares
- Dehumidifiers
- Ductwork & components
- Evaporators & condensers; air or sea water cooled
- Galley refrigeration equipment & spares
- Laboratory fume cupboards
- Pumps, seals, bearings, pulleys
- Refrigerants (*environmentally friendly*)
- Refrigerant parts; including expansion valves, thermostats and oils
- Specialist electrical equipment & controls

*If your requirement is not listed please call*

**SPARES UNLIMITED - we can supply engineering equipment & spares from a wide range of manufacturers, including the following....**

ABB Spares	Isceon
Alco Spares	Hi-press Spares
Bently Nevada Spares	Honeywell Spares
Bitzer Spares	Howden Spares
Bock Spares	IMI Spares
Bristol Spares	J.M.W.
Calomax Spares	JS Humidifiers Spares
Carel Spares	Johnson Controls
Carlyle Spares	LEC Spares
Carrier Spares	LG Spares
Carrier Marine Spares	Lindab Parts
Carrier Transicold	Maneurop Spares
Chrysler Spares	Mitsubishi Spares
Clearwater Spares	Munters Spares
Climatrol Spares	Omega Spares
Corken Spares	Penn Controls
Crafft Spares	Pheonix Spares
Daikin Spares	Porka Spares
Danfoss Spares	Qualitair Spares
Delchi Spares	Ranco Spares
Dorin Spares	Rhodia
Draeger Spares	Robinaire Spares
Dunham Bush Spares	Sabroe Spares
Foster Refrigerator	Sahara Spares
Friedrich Spares	Scotsman Spares
Frigidaire Spares	Searle Spares
Fujitsu Spares	Sporlan Spares
Gram Spares	Stal Spares
Grasso Spares	Tecumseh Spares
Grundfos Spares	Toshiba Spares
Hall Thermotank	Trane Spares
Hankinson Spares	Willand UV
Helpman Spares	Wozair
Henry Spares	York Spares
